

In the Privacy of Your Own Heart...

As you meditate on the importance of bringing your expectation, answer these questions in the privacy of your own heart:

(And remember, dig deep)

- Are you a believer?
 - Do you consider God a true source?
 - Do you believe what God has said about you?
 - Do you believe what God says you can have and what God says you can do?
- If you are a believer, where is your choke point?
 - Are there areas where you thought you were believing in God, but now that you think about it, you really aren't? Or
 - Are there areas where you're believing in God, but you find out that there are areas in which you could believe a bit more?
- In what areas have you set yourself to be in agreement with the word of God?
