

# **The Abreu Family Scholarship**

In 2020, John Abreu established this scholarship in memory of his beloved late wife Susan. He recognized that FFA and 4H students were particularly hard working and respectful young people. He wanted to honor and recognize their commitment to community by offering scholarships to these students.

The Abreu Family Scholarship is open to all Quitman ISD seniors enrolled in 4H and/or FFA programs and can be applied toward any higher education tuition.

The Board of the Quitman Lake Country Charitable Foundation shall award one scholarship in the amount of \$1000 and another scholarship in the amount of \$500 annually. Should additional money be available in The Abreu Family Scholarship fund then the Board will establish the number of additional scholarships to be awarded and the amount of those awards in budget discussions at the beginning of each fiscal year.

**In 2023 one \$1,000 and two \$500 scholarships will be awarded.**

**All applicants for the scholarship(s) must be students at Quitman ISD and enrolled during their senior year in 4H or FFA programs. All applicants must complete the application attached and return it to the Board no later than 5pm on April 14th.** The Board will analyze the applications based on scholastic performance and community service involvement.

The award will be sent directly to the accredited U.S. college, university, or trade school when the recipient requests disbursement and provides proof of enrollment. The awarded funds must be requested within two years of graduation from high school.
