

AGELOC® LUMISPA® IDEALEYES® ACTIVATING EYE CREAM

Stress, age, and a busy lifestyle can take their toll—but don't let your skin give you away! ageLOC LumiSpa pairs a one-of-a-kind device that uses patented technology with ageLOC LumiSpa products. The result? Powerful treatments that help diminish the signs of aging to keep you looking radiant.

MEET AGELOC LUMISPA IDEALEYES

Goodbye bags, hello bright eyes. ageLOC LumiSpa IdealEyes Activating Eye Cream is specially designed to work with ageLOC LumiSpa Accent to deliver powerful benefits to the delicate skin around your eyes. Just 30 seconds on each eye area provides immediate hydration, visible firming, brightening, and smoothing to stop the look of tired, stressed eyes in its tracks. It's the perfect routine to help with those less-than-ideal signs of a busy life around your eye area.

WHY YOU'LL LOVE IT

- Freshens, brightens, and hydrates delicate skin around the eyes in just one minute.
- Helps eyes look awake and refreshed while minimizing the appearance of dark circles, puffy eyes, under-eye bags, and tired skin.
- Softens, smooths, and instantly promotes radiance.
- Visibly lifts and firms the eyelids.
- Increases the appearance of skin volume and density around eyes.
- Specifically formulated to target the delicate skin around the eye.
- Designed to work with ageLOC LumiSpa Accent.
- Formulated for all skin types.
- Fragrance-free.
- Ophthalmologist tested.

WHAT POWERS IT

- **Peptide Complex**—helps visibly firm and tone delicate skin.
- **Tetrahexyldecyl Ascorbate**—a stable, powerful form of vitamin C that has well-known, visible youth-renewing benefits for treating the appearance of lines, wrinkles, and discoloration. Protects against free radical damage,

brightening the eye area.

- **Plankton Extract**—helps decrease the appearance of pigmentation in the under-eye area and visibly increase skin tonicity. Supports the skin's natural recovery process.
- **Squalane**—prevents moisture loss while restoring skin's suppleness and flexibility.
- **Antioxidant Complex**—protects skin against daily environmental stress.
- **ageLOC Proprietary Blend**—a visibly youth-renewing complex that targets the sources of aging.

CLINICAL RESULTS THAT PROVE IT

Nu Skin commissioned a third-party contract research organization to evaluate the visible short- and long-term benefits of the ageLOC LumiSpa Accent system.

Clinical Evaluation

Week 2—significant improvements in the appearance of bags and puffiness.

Week 4—significant visible lifting improvements and reduction of crepey eyelids.

Week 8—significant improvements in the appearance under-eye circles.

Week 12—a clinical grader recorded a 98% increase in hydration in subject's skin.

HOW TO USE IT

1. Use each morning and night on clean skin. Apply ageLOC LumiSpa IdealEyes to the skin around the eyes (not on the eyelids or eyes themselves). Turn on the device and glide LumiSpa Accent over the eye area using slow, gentle motions. Do not scrub or move across the skin quickly.

LEARN MORE ABOUT IT

Can I use both ageLOC LumiSpa IdealEyes and Intensive Eye Complex?

Yes, both products provide moisturizing benefits while addressing different concerns. ageLOC LumiSpa IdealEyes should be used first as it is a visibly youth-renewing product designed to diminish the visible signs of stress, fatigue, and aging around the eyes while providing hydration. Use Intensive Eye Complex afterward to hydrate the delicate eye area and provide additional moisture as needed.

Can I use ageLOC LumiSpa IdealEyes with my core daily system?

Yes, ageLOC LumiSpa IdealEyes contains a powerful, yet gentle, blend of ingredients that is safe for use with all Nu Skin® core daily systems and products. You should apply ageLOC LumiSpa IdealEyes before your moisturizer.

Can I apply ageLOC LumiSpa IdealEyes to my eyelids?

You can use ageLOC LumiSpa IdealEyes all around your eyes, but should not use it directly on your eyelids. By applying the product under the eyebrow, eyelids are visibly lifted, helping eyes appear firmer, wider, and brighter.
