

Dear Families:

At To Mars and Beyond VBS, your kids will enjoy an interactive, energizing week as they explore where God's power can take them. They will become Voyagers and discover how to serve God and God's mission for their lives.

After a high-energy opening assembly at our Mars Outpost, Voyagers make their way through several activity stations. Our daily Bible Story will include interactive lessons that reveal Power Launchers to equip the Voyagers for an active life with God. Voyagers will discover our Vector Verse (Bible memory verse) that will remain with them in their faith long after VBS.

Voyagers will be grouped by grade level and expand on what they've discovered by participating in lots of different activities throughout the week in each of the Station headquarters:
