Hi [name],

Firstly, a huge congratulations on the birth of your precious baby! I'm so thrilled for you all. Thank you for inviting me into your lives and allowing me to be a part of this most sacred time for your family. I am honored and truly grateful.

I know it hasn't been long since your precious one arrived, but I am hoping you have a few moments to give me some feedback on my services. Of course I am aiming to give my families wonderful care, support and service but I know sometimes there may be areas I need to work on. I would really appreciate some honest feedback, the good the bad and the productive, it will help me reflect on the time I've spent with you and your family and help me grow the be the best birth support and educator I can be. I truly value your opinions and feed back.

Thank you once again for trusting me to be a part of your support circle.

Much love,

Bron
