

Greetings Bonsai Artists,

There simply isn't enough time to create a Newsletter this month. Here are things you need to know --

- This month's meeting is Saturday, April 14, 10-1 at the Bonsai Learning Center. The agenda will be to finalize the design and begin creating our display for the fall Asheville Expo. Yes, you read that correctly - your participation is needed! Bring your tools and be prepared to get dirty. Aspects of this effort can be accomplished by newer members and other aspects will challenge our senior members. Come early to get a good parking space and help create something extraordinary.

- In partnership with Daniel Stowe Botanical Gardens in Belmont, a club show is in the works for July. Details aren't finalized yet, but you should be looking over your bonsai collection and sprucing up a tree or three for the show.
