Happy Heart Preschool & Kindergarten

Dear Parents,

Thank you for requesting registration information from Happy Heart Preschool and Kindergarten!

Preschool is a very important first step in your child's educational development. At Happy Heart, your child will be provided with the experienced, consistent care and guidance needed to encourage your child to enjoy coming to school, and subsequently, to enjoy learning. As a result of attending and completing the Happy Heart program, your child will be well-adjusted and better- prepared to begin kindergarten when the time comes. Our longer class days allow your child to experience having lunch at school - a definite benefit for some families. Happy Heart also offers afternoon programs as a convenience to parents with varying schedules.

Enclosed is information about Happy Heart classes, tuition rates and the Registration Form on which you should indicate the program your child will be joining in the fall, as well as provide all other requested information. Also, a non-refundable registration fee of \$30 (check made payable to Happy Heart) is required with each registration.

Upon receipt of the completed registration form and fee, I will contact you to discuss the program, to see the facility and to be provided with additional information about your exciting, upcoming school year.

Again, thank you for your interest in Happy Heart Early Preschool and Kindergarten! Please feel free to call with questions or concerns.

Sincerely,

Linda Cuesta, Owner/ Director
