

Become an Authorized Training Provider

Thank you for your interest in becoming an **Authorized Training Provider** for the CPR Society® organization. By entering into this relationship with the CPR Society®, your company has the ability to teach accredited CPR, AED and First Aid certification courses using our propriety curriculum and teaching software.

CPR Society® has become the leader in lifesaving training. Our courses combine a variety of formats, including **lecture, video, hands-on practice** and **music** to provide a learning experience like no other!

The CPR Society® program has certified thousands of students and is trusted by the **Nevada Government**, the **Clark County Government**, the **school district**, **hotels** and **casinos**, **celebrities**, **medical clinics** and many others!

Becoming an **Authorized Training Provider** will allow your company to designate a certified instructor to train your employees and keep them current on their certifications.

Benefits:

- Curriculum follows the most current **American Heart Association®** Guidelines for CPR/AED/First Aid and meets OSHA compliance standards for providing workplace health and safety training.
- CPR Society® will send you email updates and software upgrades as they are released at no extra charge.
- After teaching the course, purchase student certifications on the CPR Society website and receive the cards within a few business days.

- **Software license: \$500** (one-time fee)
 - Includes all course presentations and student training manuals in PDF. Instructor manual also included.
- **Certification fee per student: \$10** (recurring)
- **Optional purchases:**
 - (1) Adult CPR blow-up manikin: **\$50 each**
 - (1) Infant CPR blow-up manikin: **\$50 each**
 - (1) AED training device: **\$80 each**
