Dear, Potential Volunteer,

Thank you for your interest in volunteering with children with faith and hope. Volunteers are an important part of our team and help us in many ways. We appreciate everyone who gives us the gift of their time. Wherever you volunteer, you will make a difference! Below is some basic information regarding our volunteer program and application process.

The first step in our volunteer process is completing an application. Completing the application does not guarantee acceptance into the volunteer program at the interview selected applicants will need to drug screening and background check. If you feel you will be able to meet the above requirements, we encourage you to return your application as soon as possible. The application and training process may take one to two days. Please apply on our website at cwfah.org Thank you for your interest and we look forward to hearing from you.

Warm regards,
