Dear Colleague,

RE: Anesthesia Fee for Uninsured Services

As you are aware, Department of Anesthesia at Lakeridge Health provides services for non-OHIP procedures to obstetrical patients who are under your care, as required.

This includes epidurals and any form of operative delivery, which would primarily be caesarean sections.

Please be advised that this letter is to provide notice that as of March 31, 2023 our professional fee for an epidural and C-section is \$1400.00 per procedure. If the patient has both procedures, the total fee would be \$2800.00.

Please let me know if you have any questions.

Regards,
