## About Clare McBride

Clare McBride was born in Northern Ireland but raised on a grain farm on the Manitoban prairie after her family relocated there when she was nine. Clare works full time in the agricultural industry and writes as a hobby to honour the memory of her two young daughters, Oksana (6) and Quinn (4), who loved books and family story time. She has previously authored two other children's titles: *Pearl Loves Her Name* and *Where I Come From*.
