

Grafton County Tax Collectors Annual Meeting
August 12, 2022
Via Zoom
9:00am

The Grafton County Tax Collectors held their annual meeting on August 12, 2022 via Zoom. The meeting started at 9:00am.

There were 8 collectors in attendance. The meeting focused on a round table discussion leaving the discussion open to any questions and/or discussions that the collectors wanted to talk about. Discussion ranged from liening and deeding, mortgage notifications, mortgage searches, auditors, the NH Homeowner Assistance fund, and Resident Tax. This trial zoom platform to conduct our annual meeting seemed to be enjoyed by those who attended. We asked for suggestions and any topics for next year from the group.

A special thank you to Kelly Robert's in Deerfield for her technological assistance in hosting this year's zoom platform for our annual meeting!

Respectfully,

Hannah Joyce, Grafton County Coordinator
Raymah Simpson, Grafton County Coordinator
