Last Week's Run Report

Run 690 – Location –Frederic Baldwin Park Kardinya

Hare: Dirty Deeds

Well, this week finally came round. DIRTY DEEDS had been telling anyone who'd listen that she was going to do something different for her run and everyone was eager to find out, word must have spread around because the numbers of curious Hashers had swelled to at least 35 for the start.

AC/DC gave a lengthy chalk talk and sent the runners off up the nearest hill, the walkers were sent in the opposite direction to discover the checks and falsies on the second half of the trail. Unfortunately the area is illuminated by the dimmest light bulbs money can buy and the large white barbed sixes were still hard to find. The runners didn't fare too well reporting that the trail had been completely obliterated in one section and it was a miracle that they picked it up at all.

By some miracle the pack made it to the drink stop where our hare had laid out a spread of dips, olives, cheese and crackers with copious amounts of port and lemonade to wash it down.

The last of the wayward runners found their way home and the circle was duly called.

Visitors, Long-time-no-sees were welcomed - ANTOINE, LICK IT AND STICK IT, GPS, THE SORE ARSE, X-RATED, SLUSH-BOX, HORNY FLASHER and TURN YOUR BACK all enjoyed a welcome to Freo H6.

Our GM FUMBLES called upon LICK IT AND STICK IT who correctly guessed the run number – whatever it was and then handed the circle over to our RA Captain Bob.

SLUSHBOX was immediately asked to explain himself and why he was not in hash attire - again a piss-weak excuse was given – again and he was given a down-down. He was also charged for complaining about the membership fees so he ended up on the naughty mat.

GPS tried to defend SLUSHBOX's lack of hash attire by pointing out that COCK HUNTER also had no hash attire so she was hauled in for her crime.

DOSH was charged for her new shoes and drank from the left one as the right one had been used last time she was charged for the same offence.

RUSTY NUTS charged SKIPPY for making a bee-line to the food and not greeting anyone in his haste – some things never change hey? Before he took his down-down LICK IT AND STICK IT joined him under the 'one German drinks, all Germans drink' rule.

DIRTY DEEDS was about to receive a Happy Birthday song when she pointed out that last week Christians were acknowledging that Jesus had died but got better and was alive again so it was sort of a birthday for him too. A proxy for Jesus was needed so we dragged BLOW JOB in for the birthday song too.

ANTOINE rated the runner's trail a 6 out of 10 and IMMOBILISE HER rated the walker's trail 7.5 out of 10.

The long lost Naughty Shorts made their return on THE SORE ARSE's arse and we voted that IMMOBILISE HER should receive them for being too quick to dob in a new candidate for the shorts.

AH-SUP told us a true story about fishing in Moore River, TURN YOUR BACK told a true story about Donald Trump visiting a school and COOKIE told us about the teacher saying the word 'masturbate' was a mouthful.

SKIPPY was asked to lead us into song but all we got was an awkward silence before HORNY FLASHER quickly stepped up and got us started.

We broke away to the spread that DIRTY DEEDS had laid on two buffet tables under the gazebo. Roast chicken, salad, bread, quiche and pasta salad. To the right of all of this was the birthday cake and never-before-seen-at-hash Candy Bar decorated with party hats, poppers and whistles. Needless to say by the end of the evening the Candy Bar looked like it had been attacked by an army of Augustus Gloops.
