Our program and facilities are operated in a clean, safe manner. However, in case of illness or accident, we must have a Health History/Medical Consent Form completed and signed for each camper. Campers under age 18 must have signature of parent or legal guardian. Your camper cannot begin the program unless this form is completed and the required signatures are provided. Please be aware that Teen Quest does NOT provide medical or hospital insurance coverage.

HORSEBACK RIDING I understand the horses to be well trained but realize the danger of horseback riding. I believe myself / my child to be of sound health with sufficient maturity to ride. I expect only the ownership and management of Teen Quest to allow me /my child to horseback ride at my /my child's own risk. Due to insurance, only 9 years and older can ride without a lead rope.

PAINTBALL COMPETITION I understand by my /my child's participation in the sport and activities of paintball that weaponry involved in paintball is significant, including the potential for permanent disability and death, and while particular equipment and personal discipline will minimize the risk, the risk of serious injury does exist. I expect only the ownership and management of Teen Quest to allow me /my child to participate in paintball at my own risk. Junior age students only participate in target practice.
