## **Introduction**

### **Guernsey Rally**

### **29<sup>th</sup> FEBRUARY 2020**

We are pleased to announce the third running of the Guernsey Rally.

This 2020 event is primarily being sponsored by Resolution IT, with other individual stage sponsors, to whom we are all very grateful for their support.

The event will be running over one day with 8 stages run in the morning, and 8 further stages in the afternoon running into darkness. There will be a total of 34 stage miles. We will be running Super Rally rules for people who go out the rally to re-join.

Scrutineering and Signing-On will take place on the evening of Friday 28th February 2020 at HR Air. Exact time and location will be given in the Finals.

Rally HQ and the Service Area for the event are at Les Beaucamps High School.

The Presentation will be on the Sunday at 2.30pm at the Peninsula Hotel.

Should you be unable to compete in the rally this year but are interested in helping out, or if you would like the opportunity to be an overseas Marshal, please contact Warren Boscher on 07781 438306

We look forward to seeing you at the rally and thank you for your continued support

### SUPPLEMENTARY REGULATIONS

#### 1. ANNOUNCEMENT

The Guernsey Kart & Motor Club LBG, herein referred to as the Organisers, will promote a National B stages rally on **29th February 2020**, to be known as the Resolution IT Guernsey Rally 2020.

#### 2. JURISDICTION

The event is held under the General Regulations of Motorsports UK (Incorporating the provisions of the International Sporting Code of the FIA), and these Supplementary Regulations, the Final instructions for the event, and any written instructions that the organisers may issue for the event.

Roads closed for the running of this event are closed in accordance with the provisions of an order made under Guernsey Road Traffic Law.

#### 3. PERMIT

The MSUK Permit Number is being applied for and will be at the Start on the official notice board.

#### 4. ELIGIBILITY

The event will be open to competitors (whether Entrant, Driver or Co-driver) holding a valid MSUK National 'B' or higher competition licence, who are fully elected members of clubs affiliated to the Guernsey Kart & Motor Club. All competitors must produce their licences and a valid club membership card at documentation.

Overseas membership is available to visiting crews who are not a member of the above associations. Membership is valid for the event at a cost of £15.00. This can be paid on the on-line entry form, or at signing on. Each crew member must complete a proposal form at signing on.

The event has been prescribed on the 2020 sporting calendar, under the heading "National Event with Authorised Foreign Participation" (NEAFP), therefore competitors from anyone of the 21 EU countries holding National Competition Licences issued by those countries ASN may enter.

Competitors are reminded of the MSUK's requirements for Entrant's Licences as laid down on the Licence Declaration Form.

**All competition licences will be inspected at Signing-On. Please ensure a photograph is attached where applicable and the licence has been signed before presenting at Signing-On**

## **12. ROUTE / ROAD BOOK / DOCUMENTATION**

The event will contain a maximum of sixteen special stages. Four venues run a maximum of four times each on closed public roads. Cars will start at one-minute intervals. The Tulip Road Book will give references to stage starts and stage finishes.

Full details of the route and special stages will be given in the road book issued to competitors. This document will contain all the necessary information to enable competitors to comply with R2.3.2 & R2.3.3.

Cars will be dispatched on Friday from MC1 at one-minute intervals and all road sections up to the final MC will be run at one-minute intervals. This is to ensure maximum use of road closures and is for the benefit of all competitors. Your co-operation in being ready for stage starts and at all other controls will be greatly appreciated.

### **12.1** The event will contain special stages with a mileage of approximately 34 miles.

These special stages will be timed to an accuracy of a tenth of a second by use of electronic timing apparatus. The start will be signalled by traffic lights which will go from RED (15 seconds to go) through AMBER (5 4 3 2 1) to GREEN at the start time. Electronic beams will be used to determine a jump start (R) 32.2(e) will apply. If this was to fail then we would revert to hand manual clocks set at BBC time and then timed to a second, as described in R25.7 & R25.8. No Verbal 30 second warnings will be given.

Stages will be run on sealed surface roads in the form of closed public roads and private roads. Road mileage will be in the order of 72 miles. Fuel stations will be near to or on road sections in the road book.

Competitors may be regrouped to exclude non-starters or retirees.

### **12.2** A set of marked maps using the Digimap Guernsey system will define the stage routes. All organiser's distances will be deemed to be correct. These documents will contain all the necessary information to enable competitors to comply with R2.3.2 and R33.1 for the road sections the organisers will provide the competitors with a map defining the route and a tulip road book.

### **12.3** The Clerk of the Course can empower officials to search competitors and their vehicles for unauthorised pace notes R24.11.

### **12.4** Competitors are reminded of the use of S. O. S. Board / Accident board's. R 25.4.

## **13. SCRUTINEERING & SIGNING-ON**

- 13.11** All vehicles shall be required to comply with the now mandatory noise level of 100db (A) at tests carried out in accordance with (R) 4.1 to 4.1.2. (Inclusive) and at a maximum of 4500rpm. All vehicles will be subject to additional tests should the organisers consider there is excessive noise. No vehicle shall run anti-lag.
- 13.12** Scrutineering, noise testing and signing on will be held at the following address (Exact times and a map will be provided with finals) on Friday 28th February

HR Air  
Airport complex  
Forest

### **14. DAMAGE DECLARATION**

Competitors will be required to complete and sign a Damage Declaration form at the end of each leg. This will form the final page of the relevant Time Card Booklet, stating that either they have not been involved in an accident or incident involving damage to private property or injury to persons or animals or alternatively give full details of any such accident or incident where damage or injury has occurred

## Supplementary Regulations Guernsey Rally 2020

R40.1.3. Such information will not incur a penalty but note that this card must be handed in with final timecard upon finishing the event. Failure to do so will result in the penalty of exclusion being enforced (Article 19.3).

- 14.1** Competitors who retire during the course of the event must return their completed Damage Declaration Form to the Secretary of the meeting within 72 hours of the event or be liable to a £100 fine in accordance with R40.1.4.

### **15. DRIVING STANDARDS/OBSERVERS/JUDGES OF FACT**

Named Judges of Fact, appointed by the Organisers, will be on duty throughout the rally to observe and report upon any Competitor considered to be in contravention of Regulations R24.7 R24.7.1, R24.7.2, R24.7.3, R24.7.4, R24.7.5, R24.7.8, R24.7.10.

- 15.1** The Chief Scrutineer and Eligibility Scrutineer appointed for the event are Judges of Fact in respect of Vehicle Eligibility.

- 15.2** The Organisers may appoint Driving Standards Observers in accordance with (R) 24.8 & (R) 24.9.

Judges may also be appointed to adjudicate on (R) 24.7.

- 15.3** Any notified offence by a Competitor or by his Service Crew which involves speeding, reckless driving or failing to observe road signs will automatically be considered as a possible contravention of C.1.1.4 (any proceeding or act prejudicial to the interest of the Motor Sports Council or of motor sport generally). The Competitor concerned is liable to be penalised in accordance with (R) 24.8.3 and may be called before a MSUK Disciplinary Tribunal.

### **16. CONTROLS AND TIMING**

- 16.1** To be classified as finishers, crews must report with their cars at all controls within their permitted maximum lateness (Articles 16.11 and 19.3).

- 16.2** All clocks will be set to GMT, using BBC or Telecom time signals.

- 16.3** Special Stage timing will be by digital clocks. Each Special Stage will have a Bogey Time indicated in the Road Book and on the Timecards.

- 16.4** Timing will be to a TENTH of a second and controlled by the Target Timing Regulations inclusive using digital clocks operated by Officials under the control of an appointed Timekeeper.

- 16.5** Competitors will be allowed 3 minutes between stage arrival and the start after which they must be ready to start a Special Stage when required to do so by the Start Marshal.

- 16.6** Control and Stage Signs will conform to (R29).

- 16.7** It is the Competitor's responsibility to ensure that his times are correctly recorded and handed in when and where instructed.

- 16.8** The rally will consist of Road Sections and Special Stages.

## Supplementary Regulations Guernsey Rally 2020

**16.9** All controls other than Passage Controls (PC's) and Route Checks (RC's) will be Time Controls (TC's). Each Road Section will be allotted a Target Time based on approximately 20mph average or less, and a Competitor can calculate his Due Time of arrival at any T.C. by adding this Target Time to his actual time of departure from the preceding T.C.

**16.10** All Special Stages will have a Bogey Time set at 75mph and a Target Time of 20mph. Competitors will receive penalties on Special Stages as follows:

- |                           |                   |
|---------------------------|-------------------|
| • Under bogey             | Bogey Time        |
| • Over bogey under Target | Actual Time Taken |
| • Over Target             | Target Time       |

Time in excess of Target Time on a Special Stage will count towards the competitor's Cumulative Lateness.

**16.11** Lateness in excess of Target Time on Road Sections and Special Stages is cumulative. Once his/her Cumulative Lateness, calculated from the previous Main Control, exceeds the penalty free maximum of 15 minutes a Competitor will be excluded from the results (Article 19.3).

**16.12** Should any recorded time not be legible, or not appear authentic, the Organisers may use any means at their disposal to establish a time.

**16.13** The following titles shall describe the various types of Time Controls: -

**(a) Main Control (MC)**

The MC at the start and MC's after any Rest Halt, or at any other specified point will be designated as MC (OUT).

The MC at the finish of the Rally, and MC's before any Rest Halt, or at any other specified point, will be designated as MC (IN). A competitor who is early at an MC (IN) may wait for his Due Time outside the Control.

At an MC (OUT) after a Rest Halt, Competitors will restart at designated intervals either in number order or in order of their arrival at the MC (IN), or as may be specified in an Official bulletin.

Each Competitor shall be given a due starting time from any MC (OUT) the difference between this time and his actual starting time will be counted towards exclusion for cumulative lateness. Also a time penalty will be applied.

Competitors arriving at any MC (IN) within their maximum permitted lateness will, subject to Article 16.13(a) above, restart from any MC (OUT) with Zero lateness, i.e. lateness is accumulated only between two successive MC's.

## Supplementary Regulations Guernsey Rally 2020

### **(b) Special Stage Arrival Control (SSA)**

At this control the competitor will be given their time of arrival and will have a minimum of 3 minutes after the arrival time in order to allow the crew to prepare for the stage. The area between the SSA Control and the SSS is Park Ferme.

### **(c) Special Stage Start Control (SSS)**

At the SSS a Competitor will be given a Start Time for the Stage in hours, minutes, and seconds. Failure to be ready after time allowed will be penalised in accordance with (R) 32.2(d). Any crew refusing to start will be penalised as (R) 25.8.2. The start will be signalled by traffic lights which will go from RED (15 seconds to go) through AMBER (5 4 3 2 1 ) to GREEN at the start time. Electronic beams will be used to determine a jump start. No Verbal 30 second warnings will be given.

### **(d) Special Stage Finish Control (SSF)**

At the SSF a Competitor will be given his Finish Time in hours, minutes, seconds and 10ths. This time in hours and minutes constitutes Start Time for the following Road Section.

Any Competitor who fails to stop at the Stop line must return to the SSF on foot, reversing the car is prohibited, subject to a penalty of exclusion (R) 32.2(p).

### **(e) Service Control (SV)**

All Service Areas will have IN and OUT Time Controls. At Service Areas not designated as MC's a Target Time will be specified between these controls. The Section between SV (IN) and SV (OUT) will be marked as a Road Section.

### **(f) Passage Control (PC)**

At any point indicated in the Road Book, the Organisers may establish a PC in order to collect Timecards from Competitors or for other purposes. A Competitor failing to provide the necessary documents at any PC will be deemed not to have reported there and will be excluded, Article 16.1 & 16.7).

Any times recorded at a PC will be used only to ensure that Competitors have followed the requirements of the Road Book, and not to calculate Cumulative Lateness.

All Controls will open 15 minutes before the Due Time of Car "0" and close 16 minutes after the Due Time of the last Competitor still running where, having taken into account any delays. Regrouping controls will/may be established along the route and will be subject to the rules governing Time Controls. The purpose of these regroupings will be to reduce intervals, which may occur as a result of late arrivals or retirements. The time of restarting from the regrouping control will not be determined by the duration of the halt, and therefore the first car will restart at the scheduled time and other cars at one minute, or 30-second intervals according to the basis of the road timing for that leg of the event. Crews will receive instructions as to their restarting times on arrival at the regrouping control. They must immediately park their cars as instructed in the parking area where Parc Ferme regulations will apply (Article 18.5). Crews must remain with their cars in this area.

## **17. ROUTE NOTES**

Stage tulips and road maps will be available on the day of the rally.

## Supplementary Regulations Guernsey Rally 2020

- 17.1** Practising is forbidden. If a competitor is found practising on the stages as published, or any road that may be used for this event, they will be excluded from the event (Article 19.4).
- 17.2** Recceing is permitted from February 15<sup>th</sup> up to Friday 28<sup>th</sup> February. It is requested that all drivers/navigators refrain from recceing between dusk and dawn. Any vehicle used, must be as the manufacture supplied, no vehicle will have **ANY** type of safety device fitted, i.e. roll cage, racing seats, voice headsets, or safety guards to the underside of the vehicle. All competitors **MUST** obey all Guernsey road traffic laws and speed limits, failure to obey the laws of Guernsey will incur a penalty (Article 19.4).

### **18. SERVICING**

Servicing is defined as in R38.1.1 Persons travelling in a Service Vehicle are "Service Crew".

- 18.1** Refuelling will be allowed in service areas subject to the terms and conditions outlined in Annex Q of the MSUK Rally Future document under the heading "Self-Refuel".
- 18.2** Barbeques and open fires are banned in Service Areas (Article 19.4).
- 18.3** There will be one Service Area throughout the rally. Service will open **07.00** on Saturday. All personnel must be off the premises by **23:00**.

This will only be accessible to Competitors and Service Vehicles bearing Official Plates. No other areas may be used by Service Vehicles, which are required to follow a prescribed route to the Service Areas. All other areas will be Out of Bounds to Service Crews and Vehicles.

- 18.4** Competitors may work unassisted on their own cars in "Non-Service Areas" except:

- Within 100 metres of any Control
- Between Special Stage Arrival and Special Stage Start controls and, in any Parc-Ferme

The only work permitted in these areas is, with the permission of an event Official, to carry out the following unassisted:

- Cleaning lamp glasses, windscreens, windows, identification markings and vehicle registration number.

- 18.5** Servicing in designated Service Areas **must be** carried out on **ground sheets** and in addition **support by wood or other material suitable to spread the weight under jacks and stands is used. Please take care with the environmental impact of our use of the service area and ensure that all waste is swept up into bins. Spill kits are to be used where necessary and disposed of in the designated bins in the Service Area.**

## Supplementary Regulations Guernsey Rally 2020

- 18.6** Service Crews are subject to the same regulations as competitors regarding noise, bad driving manners, etc. Officials and Marshals have been instructed to note any infringements of these rules (Article 15).
- 18.7** Competitors are responsible for ensuring that their Service Crews understand and comply with these regulations and that their Service Vehicles bear an Official Plate showing the competitor's rally number, this plate must be fixed to the front of each Service Vehicle and clearly visible at all times.
- 18.8** A Competitor receiving assistance contrary to these SR's will be penalised in accordance with R38.1.2. Any Competitor whose Service Vehicle is observed in an Out of Bounds area will be penalised by exclusion (Article 19.4).
- 18.9** The use of "chase cars" or "management vehicles" is prohibited due to the nature of the Island roads and the P.R. sensitivity of the event. Any crew who is observed to have, in the eyes of the Organisers and their Judges of Fact, to have operated such a vehicle, whether or not assistance is actually received from such a vehicle will be excluded as if outside assistance had been provided as in article 18.8.

### **19. PENALTIES**

Competitors will start with zero penalties. Classification for the results will be determined by the total time penalties. The winner being the Competitor with the least total time penalty (Article 16).

- 19.1** In the event of a tie the winner will be the competitor who has completed the greatest distance from the Start with the least Stage Penalties.
- 19.2** The penalties in R32.2 apply as written unless specifically modified in these SR's.
- 19.3** Contravention of the following carry a penalty of exclusion: SR Article 8.3, 13.2, 13.3, 13.4, 13.5, \*14.1, 16.1, 16.11, 16.13(d), 17.1, 17.2, 18.2, 18.6, 18.8, 18.9, 19.7, 19.8.
- 19.4** Contravention of the following may lead to refused start: SR Article 8.3, 13.1, 13.2, 13.3, 13.8, \*17.2.

\*The Clerk of the Course may report a Competitor so penalised to the Stewards of the Meeting and/or the MSUK for further disciplinary action.

- 19.5** Contravention of the following may lead to exclusion from the results:

(a) SR Article 11.1, 13.1, 13.2, 17.1

Causing a decibel meter reading of greater than the specified limits will be deemed excessive noise.

(b) This will be measured in accordance with a test, specification details in the MSA General Regulations. It is at the discretion of a Judge, Noise Test Official or Driving Standards Observer, or of the Organisers, whether a car which causes excessive noise is refused permission to proceed at any time.

(c) A Driving Standards Observers decision on imposing a penalty for excess speed or bringing the sport into disrepute shall also be reported to the Stewards of the meeting.

## Supplementary Regulations Guernsey Rally 2020

- 19.6** Competitors are reminded of the details of computation of penalties in the event that the normal running of a stage should be stopped.
