The Lost Lace project invites the families of those who died from covid 19 in Ireland and Northern Ireland to share their story of loss with the Lost lace project – a visual art and poetry commemoration to the lives lost to covid 19. You can share a few words about your loved one on [www.lostlace.com](http://www.lostlace.com) The 'Stories of Loss' can be shared on the website from 1st May 2022 until 31st August 2022. The words of loss that are shared on the website will provide inspiration for the poet Jessica Traynor to compose four poems to commemorate the lives of loved ones who have died from covid 19 in Ireland and Northern Ireland. The recital of the poems and the launch of the outdoor installation by visual artist Miriam Mc Connon will take place in October 2022 at Iveagh Gardens, Dublin.
