Quilts of Honor

Several honor quilts made by Pat McGough and long armed by Denise Vassar and Jeanne Surber were shown at the July day meeting. Thank you, ladies, for your continued support of honor quilts.

Please keep in mind that NO glitter fabrics should be used in honor quilts. Also, when turning in completed tops or quilts, please attach a note if they are coming from a home with pets.

This November, I will be stepping down from the Honor Quilts program. In order for this program to continue, this position will need to be filled.

Trina Murray

Library

Thanks to everyone that helped to lighten the library load. All of the hard cover books (and the duplicate books) have been sold or donated and we raised \$88. The library is once again manageable. I will be coming to the next two meetings (day or night) as I will be driving cross country - which means no library.

I will bring books relating to the holidays to the November and December meetings (both day and night).

I am expecting some new books from one of our members and once they have been catalogued they will be part of the library. I hope to have all library books listed in the library section of our website by the first of the year.

Thanks for your continued support. Lisa Hartman
