Learning G.R.A.C.E. Arts Project and Holiday Social

Learning G.R.A.C.E mission is to enrich lives of youth in the Tampa Bay Area by providing services and educational opportunities in technology, financial literacy, employability skills, life skills and cultural awareness.

On December 13, our Saturday Enrichment workshop featured an Arts & Craft activity at the Centre 4 Girls. The girls designed a personal journal and the theme was "Keep Calm."

Like previous sessions, the girls really enjoyed using their creativity to create beautifully decorated journals and spent time enjoying holiday treats and socializing with each other, the Centre Staff, and the G.R.A.C.E. Board Members.

We would welcome the opportunity to support your needs and deliver excellent training, workshops, and programs."
