15  **Prevention**

- Be aware of your surroundings away from home
- Burglars have been known to follow a victim home
- Notice who may be watching you and others
- Report suspicious or unusual persons, vehicles and incidents to 911

#### 16 **Prevention**

- Surveillance of your house and habits. Do you send a message you are home and not at home?
- Do you open your shades when you are at home and close them when you leave?
- Is your TV on when you are home, but turned off when you leave the house?
- 
- 
- 

#### 17 **Prevention**

What can you do to the outside of your residence to deter the burglar from picking your home?

- Lighting motion and LED lighting is the best
- Open perimeter of your house so the neighbors can see anyone moving around your home
- Privacy fences are privacy for the burglar
- Bushes trimmed below windows
- 8 foot canopy for trees
- Strategic placement of hostile vegetation
- 

#### 18 **Prevention**

Deceive the burglar

- Make it seem as if you are home
- Open window draperies
- Leave TV on
- Have a garage door with no windows
- Alarm signage
- Door camera you can answer

#### 19 **Prevention**

- When someone knocks or rings your doorbell, answer through the door, but do not open it.
- If the person at your door wants to use the phone or asks for help, tell them to wait right there and you will call 911 for them.
- Call 911 and tell the call taker there is a person at your door you do not know who needs help.

#### 20 **Prevention Sex Offender Burglar**

- If single female, have men's clothing and a pair of work boots in your closet
- Check the screens to your windows for any sign they have been removed
- When coming home scan the area before getting out of your car

- Make a police report on any harassing or threatening phone calls or texts

#### 21 **Prevention**

Delay the burglar so you may react and call 911

- Solid doors- wood or metal
- Deadbolt locks
- 3 inch screws in strike plate
- Double locks on windows and sliding glass doors
- Security film on windows

#### 22 **How Most Burglar Arrests Are Made By Police**

Apprehension of Burglars

A neighbor noticed, suspicious activity at their neighbor's home and called 911 with an excellent vehicle and suspect descriptions with last known direction of travel. An officer stopped the suspect vehicle about 4 blocks away while going to the 911 call. The car stopped was full of stolen property and the driver's pockets were full of jewelry. RP positively identified by AR's on the scene. One shift officer recalled similar vehicle information was released in the lineup recently in reference to other burglaries.
