Re: Letter of Support  
Date: September 28, 2020

This letter is written in support of the Rural Arts Collaboration (RAC). Our district is looking forward to continuing our partnership with the RAC this school year.

This initiative will allow the students of Brownsville to engage in learning opportunities that they would not be able to receive otherwise. On behalf of our students and staff we ask that you strongly consider continuing the funding for the RAC. If you should have any questions, please feel free to contact my office.

Thank you in advance for your consideration.
