

TITLE II.A – SUPPORTING EFFECTIVE INSTRUCTION

The law requires evidence that the district has conducted meaningful consultation with not only teachers, but administrators, paras, other school personnel, parents, community organizations and other partners regarding how to improve the activities supported with Title II.A funds in the district.

The purpose of Title II.A is to provide grants to LEAS to:

1. increase student achievement consistent with the Missouri Learning Standards;
2. improve the quality and effectiveness of teachers, principals, and other school leaders;
3. increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in school; and,
4. provide economically deprived and minority students greater access to effective teachers, principal and other school leaders.
