

The Gospel of Matthew:

Anointing and Annoyance:

1. Why do you suppose it is that some people really hate Jesus and His followers?
2. Why do you suppose it is that some people really love Jesus and His followers?
3. Hypocrites are those who want others to see them as being like Jesus, but whose heart is nowhere near the heart of Jesus. How do we discern the difference between those who are really following Jesus and those who are pretending or acting?
4. In Scripture, we rarely see Jesus defending others, yet Jesus defended Mary from the disciples. Why do you suppose He defended her?
5. Judas used Jesus as a means for financial gain. What are some other ways that people use Jesus for?
