NEWS FOR AND ABOUT RESIDENTS OF ST. AUGUSTINE SHORES

## “Swing in the New Year”

Ballroom dance instructors, Heather Kornick and Jake Lukic, from All About Ballroom in Jacksonville, performed a foxtrot and rumba at SABDA's November dance.

The highlight of the St. Augustine Ballroom Dance Association's November dance was the very beautiful performance of the foxtrot and rumba by Jacksonville dance instructors Jake Lukic and Heather Kornick from All About Ballroom.

A number of their friends and students traveled from Jacksonville to see them perform. Entertainment chairperson, Hatsue Wright, recently announced that Lukic and Kornick plan to return next year to thrill everyone again with their dance artistry.

The association's January dance, "Swing in the New Year", is scheduled for Saturday, January 10th at the Riverview Club in St. Augustine Shores. The dance starts at 7:30pm and ends at 11:00pm. At this dance, a new board of directors will take the oath of office for the new year and the traditional Grand March will be the highlight of the evening.

Roy Olsson's Nostalgia band will provide the dance music

and hors d'oeuvres will be served at the second break.

Guest attire is a dark business suit with tie for the gentlemen and a cocktail dress for the ladies. For members, it's formal attire. The cost is only \$10 per person for first time guests and \$15 per person for repeat guests.

For an invitation, call association president, Dennis Froio, at 810-0683. To see lots of fun pictures, go to [facebook.com/SABDStAug](http://facebook.com/SABDStAug).

## Cathedral Basilica's First Friday Art Walk Concert Series

The North Florida Women's Chorale will be featured in the season finale program of the Cathedral Basilica's First Friday Art Walk Concert Series on Friday, January 2, 2015 at 6:00 pm at 38 Cathedral St, St Augustine. The event is free and open to the public.

Come and experience the beautiful harmonic sounds of women's voices in the history-filled setting of the Cathedral Basilica. Enjoy this peaceful interlude of lovely seasonal music after the Christmas and New Year's rush. This 45-minute program will reflect on the joys and frustrations of the rushed season just passed. The Chorale will sing a concert of American carols that includes, "I Wonder as I Wander", "What Sweeter Music", "The Moon in Wintertime" and "Seal Lullaby".

The 30-voice Chorale is in its 22nd performance year, its 8th under the direction of Kerry Fradley who is founder and director of the St Augustine Youth Chorus and former director of the Flagler College Singers. The group performs regularly throughout the First Coast region. Notable among events and venues in which they have been featured are the Jacksonville Symphony Orchestra Guild and Mayport Naval Air Station Wives Club special programs; and St Augustine's Romanza Arts Festival.

This season Nancy Hughes, formerly of the Washington DC Chorus' Chamber Ensemble, has joined the Chorale as Accompanist, Nancy's skilled musicianship is adding renewed inspiration as the group continues its mission and commitment to performing music composed for treble voices. ## Writers In The Shores

By Donna Johnson

Once again please note - There has been a change in the time, meetings now begin at 1pm.

The January meetings for Writers in the Shores will be on Tuesday the 13th and again on the 27th. The chosen subject "I Wish I Had ....." was suggested for this month's topic to write about on the 27th. Come and check us out, everyone is welcome and we would like to invite anyone who loves to write. You do not have to be a member.

We meet the 2nd and 4th Tuesday of each month at 1pm here at the Riverview Club Library. We are a casual group who enjoy sharing their work and related discussion with each other. There are no officers, dues or requirements. All genres are encompassed. For information call me at 794-0789.

## Wild Flower Meadow Group

by Cindy Taylor

We meet the first Saturday of each month at 8:30 by the Riverview Club House and welcome newcomers – old timers too. Our goal is to tend the wild flower meadow, learn about native plants, what grows in this location, and how to care for it. We want to share our knowledge, learn what others know, and occasionally visit state and county parks. We're an informal group without officers or dues and hope you will join us. Call

Claire at 794-7473 for more information.

December is not a showy month at the meadow. Most of the flowers are "gone by" as we like to say, but there are numerous seeds which give promise of new delights in the months ahead. We were pleased in December to welcome to the meadow the Sea Oats Chapter of the Florida Native Plant Society for their annual potluck holiday picnic. We appreciate the insights and advice from these experts!

### St. Augustine Shores Service Corporation's Board of Directors December Meeting

The St. Augustine Shores Service Corporation's Board of Directors held their December 11 regular meeting and conducted the following business:

1. Approval of the Minutes – November 13, 2014.
2. Treasurers Report – Approved and accepted for audit.
3. The ACC Committee had 1 meeting in the month of November and the ACC Committee approved: 1 carport, 1 sun room, 1 pergola, 2 new homes, 1 pool enclosure, 1 pool, 2 screen enclosures, 1 shed. Total approved YTD 118.
4. The Board heard an update on the pool re-marcite project.

The General Manager informed the Board that he was in possession of the performance bond and the building permit for the project.

The project commenced Saturday December 6. Jim LePetrie, P.E., Wet Engineering, inspected the site December 12 and approved the progress made.

5. The General Manager provided the Board with a preliminary draft of the Bid Specification Document for the Pool Bath House Renovation Project on the demolition, floor plan, ceiling plan, plumbing and lighting.

He informed the Board that the final draft will be complete December 19 and the Request For Bids will be issued. Deadline for completion is still March 31 so the pool can open on time with totally renovated facilities.

6. The Board was provided with the adjusted Personnel Policies and voted to approve them. The complete review and update of all policies are now done.

7. The General Manager informed the Board that Fire Services had postponed the mitigation work for 6 to 8 months due to equipment issues and other commitments.

He had contacted Forestry Services Supervisor Gary Carpenter for an update to see if progress had been made to set a new date. In preparation of resuming the work in the buffers behind several houses a Minor Modification Application has been completed and the General Manager and Carpenter submitted it to St. Johns County. However no specific date has been set as yet. All affected properties will be notified once a date is set.

8. In New Business concerning Committees the Board was informed that Lance Conner has been appointed Election Committee Chair. The Board will serve as the Search Committee.

9. The Board was presented a Management issue with the Corporations 2006 GMC Truck. The truck has 146500 miles on it and needs computer controls replaced, 4 tires, axle and oil pan leaks repaired. The repair estimates are in the \$1500 - \$1800 range. Checking with Ford, Chevrolet and Dodge, the trade in value of the truck would be in the \$6337 to \$9000 range. Ford offered \$9000. The Board voted to buy a new Ford Truck recognizing expensive repairs plus the loss of trade in value to drive the 2006 GMC another year did not make sense. The Dreux Isaac Reserve Fund Study had recommended considering replacement this year or next and funds were allocated for this purchase.

10. The General Manager provided a Deed Violation packet to each Board member that included the initial report of the violations, a printed copy of the entry into the Pride system, a printed copy of the follow up detail from the County Code Enforcement Department and a follow up report on violations reported in the prior month which explained the process.

### Cathedral Basilica's First Friday Art Walk Concert Series

The North Florida Women's Chorale will be featured in the season finale program of the Cathedral Basilica's First Friday Art Walk Concert Series on Friday, January 2, 2015 at 6:00 pm at 38 Cathedral St, St Augustine. The event is free and open to the public.

Come and experience the beautiful harmonic sounds of women's voices in the history-filled setting of the Cathedral Basilica. Enjoy this peaceful interlude of lovely seasonal music after the Christmas and

New Year's rush. This 45-minute program will reflect on the joys and frustrations of the rushed season just passed. The Chorale will sing a concert of American carols that includes; "I Wonder as I Wander",

"What Sweeter Music", "The Moon in Wintertime" and "Seal Lullaby".

The 30-voice Chorale is in its 22nd performance year, its 8th under the direction of Kerry Fradley who is founder and director of the St Augustine Youth Chorus and former director of the Flagler College Singers. The group performs regularly throughout the First Coast region. Notable among events and venues in which they have been featured are the Jacksonville Symphony Orchestra Guild and Mayport Naval Air Station Wives Club special programs; and St Augustine's Romanza Arts Festivale.

This season Nancy Hughes, formerly of the Washington DC Chorus' Chamber Ensemble, has joined the Chorale as Accompanist. Nancy's skilled musicianship is adding renewed inspiration as the group continues its mission and commitment to performing music composed for treble voices.
