

THEY WERE ALL FILLED WITH THE HOLY SPIRIT AND SPOKE IN TONGUES

Acts 2:4 it states “*And they were **all filled with the Holy Spirit** and began to speak with other tongues, as the spirit was giving them utterance*”

This states clearly that ALL were baptized in the Holy Spirit and ALL were speaking in tongues. This is proof that when a person is baptized in the Holy Spirit he automatically speaks in tongues. If the person cannot speak in tongues it simply means he has some of the Holy Spirit inside him but the Spirit hasn't got enough influence on his spirit and soul because there is resistance, something is being held back.

How does one know if a person is spirit filled?

The obvious outward evidence of the inner change is the gift of tongues.
