Hello parents and dancers!

As we enter our final months of dance, we are all buzzing with excitement. The dancers are excited to finish their second dance, learn the grand finale and hit the stage to perform for you! As a reminder, our final dance classes are very important as we review choreography and stretch our memorization so the dancers can perform confidently without us. Please be sure they are at class, early and ready to learn. Please continue to bring all shoes to class with you.

This newsletter contains extremely important information about rehearsals, parent meeting, tickets and the recital itself. Please be sure you go through it carefully and as always, you can access it on our website if you misplace your hard copy.

As a final reminder, please be sure that your dancer is wearing dance appropriate clothing to practice, with hair being pulled off of the face. Even if your dancer's hair is short, it needs to be contained with clips, pins or headbands for practice. Thank you! 😊

SPRING 2021 IMPORTANT DATES & INFO

- **Saturday and Sunday April 17&18:** Picture Days with Mr. Paulson at the studio/senior center where we normally have class. Everyone should arrive 5-10 minutes early, dressed and ready to go. More instructions on costume care and wear are included with the costumes. Times listed below.

For Picture Day: Every group will be taking off their masks briefly to take the group photo and will put them back on after it is taken. Once the group photo is taken, your dancer can change into their other costume for an individual photo (if you choose to order), or they can line up in the costume they are already wearing for their individual. For their individual photo, they can wear their mask or choose to take it off; the decision is up to you.
