Loretta C. Johnson – Copyright Strictly Enforced – Updated May 6, 2022

There are times when some women may not be recognized for the roles they play/ed in the rearing of children. Today, we do not want to overlook these “***SPECIAL MOMS,***” WE SAY, “***THANK YOU FOR THE*** ***“LOVE”*** shown to “Birth Moms” who live with their children, as well as “Non-Birth Moms” who rear children not living with their “Birth Mothers.”

THANK GOD FOR YOU AND YOUR FORTITUDE!

**We say “HAPPY MOTHER’S DAY” TO
EVERY MOTHER, including**

*Birth Moms

* “Moms” (whose circumstances prevented them from caring for their own “Birth Children”)

*Grandmoms, as well as the Greats, Great-Greats, etc.

*Adoptive Moms

*“Guardian Moms”

*Foster Moms

*Mothers-in-Law

*“Sister-Moms”

*“Big Sister-Moms”

*“Auntie-Moms”

*Mentor Moms

NOTES:

1) Please do not forget the memories of those “Moms” who are no longer with us!

2) Please forgive your “Birth Mom” if she “was not there for you.” Perhaps her dire circumstances [whatever they were] kept her from not rearing you. Can you find out what really happened so you can forgive each other?

There are no words to express our sincerest Appreciation for your efforts in Providing for, Setting Examples, Training/Teaching, children in the **WAY OF THE LORD JESUS CHRIST!**

For this, we say “**THANK YOU AND MAY GOD FOREVER BLESS YOU!**” [Please locate, then read Scriptures in the **Holy Bible** that let you know “you are doing what **GOD** desires when you care for **HIS** Children. After all, you are taking care of **GOD’S CREATION !** [smile]
