### Frequently Asked Question:

Question: Why are my monthly installments the same rate every month when some months have less school days than others...Thanksgiving, Christmas and Spring Break, etc.? Note, we discounted rates in anticipation of 5 emergency closure days for things such as snow, fire, evacuations etc. We will not charge extra if there are not 5 closure days, that is a bonus to you.

Answer: We discount the rates averaging the amount of school days per school year and discount accordingly. Each school we service will vary slightly on the amount of school days per year. As a bonus to the program, we factored in 5-FREE emergency closure days for our families. All specialty activities and programs provided are paid for and sponsored by After School Kindness, Inc.

Full-time, Part-time, and Drop-in Childcare

**Holidays / Days-Off:** Month to Month Fees have been pre-prorated according to the school's calendar days off throughout the academic school year. The same monthly tuition price will apply for every month regardless of days off in that month. All holidays and school days off have been factored into our tuition pricing for full-time and part-time students.

**Enrollment Tuition Notes:** On the 1st of each month, if you have not communicated with the main office we will assume your child is continuing with the program on their regular schedule. You will be charged for care until you call (970) 833-5494 to unenroll your child from the program. If you unenroll and then re enroll, there will be an additional \$75.00 registration fee required to reinstate your child(ren) to the program assuming space is available.

If your monthly installments are *not* drafted for any reason, you are still liable for all payments for services once our audits are complete. Please contact the main office if you do not see a monthly charge on your account so we can make sure you are secured for further payments.

**Late Pick Up Fee:** \$1.00 per minute late pick-up fee will be charged to your account for all unapproved late pick-ups after 6:00 PM.

### Helpful Notes:

- We follow the school's calendars to determine which days we are open. We do not operate from the school(s) on days out or emergency closure days.
- We must schedule and pay staffing two weeks in advance in assumption your child will be there as you scheduled. There are no make-up days, refunds or prorated discounts for days or hours missed for any reason that is not the fault of After School Kindness, Inc.
- Please be aware that space is limited, due to high demand, if you withdraw your child from the program, there will be no guarantee that a spot will be available when you are ready to re-enroll.

**We look forward to providing the highest quality childcare for our community. Thank you for your integrity, communication, and trust as we serve you and your family throughout the academic school year.**
