

NEXT LEVEL RESOURCES

Our consulting, innovation, flexibility and professionalism make us a powerful and effective resource for your organization.

WE ATTRACT, SELECT & TRAIN. WE ARE NEXT LEVEL.

Next Level Resources was established to provide professional human resources, training, recruiting and safety consulting services to organizations of all sizes.

We provide services, resources and expertise in support of your company's unique needs.

ATTRACT

We look for the best and brightest talent to compliment client needs.

SELECT

With 20+ years experience in finding talent, we know the skills to look for.

TRAIN

Safety Awareness, OSHA, Human Resources, CPR/First Aid/AED and more.

NEXT LEVEL RESOURCES IS COMMITTED TO PROVIDING EFFICIENT & SKILLFUL PERSONNEL

It is the vision of Next Level Resources to inspire personnel and companies to work more effectively and efficiently by applying HR, safety and health practices to promote a zero injury and illness workplace culture. We bridge HR management and safety compliance together as one, and our recruiting process works to build a solid network of skilled individuals for the workplace. Our HR management and safety instructors will bring the classroom training to your plant or job site, making your training experience more efficient for you and your employees. We also provide education, safety and health training.

"We provide leadership programs that produce real change and measurable results. Business excellence begins with excellent leadership. Next Level Resources is your opportunity to ignite brilliance"

WHY US

Next Level Resources acts on your behalf as a Safety, Human Resources or Education Consultant representative. We take the time to develop a strong working relationship with clients by understanding their needs, business and corporate culture. With that understanding, we recommend solutions in line with those needs, then work to implement them. Our consulting, innovation, flexibility and professionalism make us a powerful and effective resource for your organization.

Finally, as a HUB certified, female owned business, Next Level is committed to excellence by creating innovative and flexible solutions for small and large businesses, both State and Federal.

What sets NLR apart from the competition?

- Commitment to excellence
- Integrated solution teams
- Measurable performance
- Client relationship management
- Best practice implementations

"Our consulting, innovation, flexibility and professionalism make us a powerful and effective resource for your organization."

CORPORATE OVERVIEW

Next Level Resources, LLC is a seasoned, HUB certified, female owned, small business providing consulting and professional services across U.S. Federal Agencies and the Department of Treasury.

Our professionals have spent decades providing quality support services in the areas of training, human resources, project management, education and safety. We are familiar with the demands of our Government, and have adopted a proactive approach to developing real solutions to those challenges.

Next Level Resources consistently strives to manage our business efficiently and effectively so we can pass cost savings to our clients and deliver the best overall value. We are especially proud of our contract start-up skills and have a proven transaction process allowing for immediate performance accountability, coupled with on-boarding key personnel to ensure customer support continuity and long-term satisfaction.

Our people are a valued asset and we invest heavily in recruiting and retaining industry-leading talent.
