

ORUG Fall 2019 Newsletter

SAVE THE DATE – 2020 CONFERENCES
MARCH 19
AUGUST 27

(The Learning Center at OCLC)

Fall Conference Recap

We had our Fall Conference at the OCLC in Dublin, Ohio on August 22nd. With people from 30 companies present, it made for a great day of discussions, collaboration and networking.

The panel discussion proved to be a hit again and we plan to bring it back in 2020. The attendance and feedback from this conference was extremely positive and will help us to continue to improve future conferences.

Conference presentation slides are now available on our Quest [Ohio PeopleSoft Regional User Group](#) page.

The event was kicked off with a networking party, sponsored by Top Consulting, at Vaso Rooftop Lounge with food and drinks.

Looking to the Future

For the 2020-2021 term, our focus is to expand content offerings, and increase membership and attendance. Watch for announcements in the coming months regarding changes and improvements to the content, events and networking for ORUG.

We are happy to announce our board members for the next 2 years!
