### How it Works

You are assigned a specific seller number to identify your items. You price your items using the appropriate color tag. You receive 85% of the purchase price; the other 15% goes to running the resale but most importantly to help minister to other families. We inspect each item and if it does not meet our guidelines it will be returned to you after the sale along with any items not sold.

You may use the yellow donate tags if you would like us to give the unsold items to charity instead of picking them up.

**All items need to be put in cardboard boxes or seller bag; totes will not be returned.**

- If you know of someone interested in selling, they can email [director@gpresale.com](mailto:director@gpresale.com) to be placed on our waiting list
- \$10.00 registration fee PAYPAL ONLY, due when dropping off items.
- Sellers must have 15 or more items sold in order to keep number.
- For Fall 2021 sale, sellers limited to 350 items.
- To cancel the use of your number, please call the number above ASAP but no later than 3 weeks prior to the sale.
