

Community & Charity Events

We are happy closely supporting a range of organisations and we're keen to partner with others that share our values and goals.

Falconry Event

HawkEye Drone service are seeking partners in creating a free annual falconry event for schools, community and charity organisations.

Volunteers make a huge difference.

We are always seeking Volunteers to help support our active involvement with external events. Volunteering with us brings a range of benefits, including

New skills and opportunities to boost your CV

The chance to contribute to valued community initiatives.

Flexible opportunities that can fit around your routine

References and proof of hours available

Do you have a community or charity event?

We are happy to participating in community and charitable events, such as fund-raising walks and festivals. We are happy to help raise awareness of your event and can provide aerial coverage.

We are also in the process of creating our own community events,
