FARC GA & SC Partnering with FSA for FARC

Georgia Homeless Veterans Resources, Inc. (GHVR) and Dianne's Call, are both 501(C)3 non-profit organization. We have partnered to form Farmers and Ranchers of Color (FARC) to serve as a liaison and advocate for small disadvantaged FARCs to the USDA (NRCS/NIFA/FSA) with the goal of assisting these agencies with providing equitable service, assist and support.

Preparedness and defense are critical to America's food and agriculture sectors and to sustaining and growing rural America. That's why the U.S. Department of Agriculture is looking to military veterans across the country to fill the roles that keep America's food supply safe and secure, preserve and strengthen rural communities, and restore and conserve the environment.

USDA wants to ensure that veterans looking to return home, or start a new career on a farm or in a rural community have the tools and opportunities you need to succeed.

USDA's Veterans website serves as a one-stop navigator for veterans looking to learn more about employment, education, and entrepreneurship on or beyond the farm.

USDA prioritizes hiring veterans because we know that you bring a wide range of experiences and strong work ethic that USDA wants and needs across the Department.
