Letter from the President

Dear RC14 members,

First of all, please let me wish you a very fruitful, creative and prosperous New Year 2020! I would also like to inform you about our latest news.

On November 7th (during our midterm conference on Filmic and Media Narratives of the Crisis held in Athens on Nov. 7th and 8th 2019) have met five members of the board (Christiana Constantopoulou President, José Ruiz San Roman, Vice-President, Daniela Roventa-Frumusani Treasurer, Larochelle Laurence Newsletter Editor and Oksana Lychkovska-Nebot, member) and discussed different current issues concerning the RC (such as midterm conferences: we proposed to organize our next activity in 2021 in Paris). Some important decisions were also taken, which I would like to share with you all.

An important issue was the frequency of our Newsletter: we agreed that it is a bit useless to have a Newsletter each month (as it was done by our Newsletter Editor Miss Laurence Larochelle), given much of the information could also be found elsewhere and did not concern specifically RC 14 activities. Thus, we decided that Laurence could focus only on RC activities at least twice a year as it is suggested by ISA rules.

We also decided that even if some members cannot make it for Porto Alegre, we will suggest in due time the BM Agenda which will be discussed there by the member(s) present.

Kind regards to all,

Christiana Constantopoulou
