

# MONTEREY LO-LO BED

- Designed specifically for Aged Care and in-home environments with a super low height of 16cm
- The Monterey Bed offers all the functionality and benefits of a clinical bed with the aesthetics of normal bedroom furniture
- The Monterey comes standard with removable curved profile beech timber head and footboards
- Also offer a choice of buttoned or fluted padded head and footboards
- Handset: The Linak electronic drive system is controlled by an easy to use and understand handset
- Mattress Retainers: Mattress retainers on four corners prevent your mattress from shifting when bed is adjusted
- Rails:  $\frac{3}{4}$  Tubular fold-down horizontal handrails can be easily removed or clamped on
- Extension: The built-in bed extension adds an extra 19.5cm to the mattress base length
