

## St John Bosco BASC & Vacation Care Centre

### 2021 Lockdown

Due to the latest lockdown, for now until 27<sup>th</sup> August, the schools are online learning for all children other than those whose parents are critical workers. In line with this, Bosco BASC is open for all those children of critical workers who are still attending school. To minimise risk to staff and other children present at the service, we ask that if you are working from home and can keep your child, please do so. Due to the school ruling that no parents or visitors are allowed to enter school grounds, we have once again implemented signing in/out outside the front door to the centre.

- Please do not send your child to BASC if they are unwell (sore throat, runny nose, persistent cough, shortness of breath, fever.) If your child is at the centre unwell, we will notify you to pick your child up immediately.
- Please respect our instructions of one family through the gate at a time in line with the social distancing protocols in place.
- Our QR code is on the gate and the sign on table for you to check in when you drop off and collect your children according to Government guidelines
- Please wear a mask when dropping off and picking up your children.
- If there is no staff member at the door, please ring BASC's phone and we will send your child out to you as soon as possible.
- Staff at BASC are wearing masks in all indoor and outdoor areas.
- Breakfast and afternoon tea are still being served at the Centre
