Mounted Shooting has been gaining popularity partly due to Competitions being Family Friendly with categories that range from beginner to expert, youth to seniors and gender split classes. Participants use the Long Colt 45, single-action revolvers. The black powder blanks with *no bullets* can break a balloon target at a range of up to 20 feet. Competitions can be found nationwide & most weekends.

“Getting Started in Mounted Shooting”

Guns and Ammunition Provided

The clinic will concentrate on the skills needed in Mounted Shooting Competitions:

- **Horse De-Sensitizing and Prep for Shooting**
- **Rider Skills and Reining One Handed**
- **Gun Handling and Shooting Instruction**
- **Navigation and Course Pattern Work**

Clinic is limited to 10 participants, so reserve your space early

DCTR does not have on-site camping. Overnight camping at Clinton Lake/Rock Haven Horse Camp and Perry State Park/Wild Horse Camp are both within 20 minutes. Reservations suggested.

* If you would like to use your own 45LC the Instructors will need to determine if it is safe and appropriate for the clinic before it can be loaded or used. Please let us know As Soon As Possible.
