SENIOR SPOTLIGHT!

What brought you to ANTC? Interest is the main thing.

What is your dream job? Computer Software Systems Data Analyst (Really any job in the Cybersecurity field.)

What is your favorite class that you have taken so far? Computer Information Systems, in this class I learned the basic parts of the computer and some coding.

What is the best advice you have been given by your instructor at ANTC? "We're not looking for the best chefs here, neither do you have to become a chef. I'll be proud no matter what you guys become."

What is your favorite memory at ANTC? Describing the cutting boards to underclassmen, though I'm introverted, the presentation was rather enjoyable.

What was the first feeling you had when you attended ANTC? Uneasy and uncertainty were my first feelings; though those feelings disappeared rather quickly.

What words of wisdom do you have for other students? "Though life isn't fair, keep trying and do what you love. With enough work and dedication, success shall be attained."
