To our friends in the Greater Waco Community,

**The Size Of a Man asks that you please consider making a donation to help support our Youth Leadership Camps** this summer. Your support will help us to impact over 300 young people and their families throughout the Greater Waco community.

The Size Of a Man is a 501(c)(3) nonprofit organization. Our vision is to provide the underserved youth in our communities with equitable access to social justice. Many of the young men and women that we mentor come from underserved communities, poverty-stricken families, and broken lives. This puts them in jeopardy of being at-risk and/or failing in life.

Simply put, we engage, educate & empower our underserved youth to break the cycles of fatherlessness and poverty through mentorship.

**Here is a success story – one of dozens – that the Size Of a Man has received:**

*One single grandmother is raising her four grandkids. She reported that since her 14-year old grandson connected with us, he has gone from being borderline depressed and uninterested to now excelling in school and at home. He speaks up with confidence, he has higher self-esteem, he is more committed to his academic success, and prior to school, he takes the time to lead his three younger siblings in bible study at home.*

The experience at our events will be engaging, challenging and unforgettable for our campers and camp counselors! Because of the efforts of The Size Of a Man from the leadership camps to year-round mentorship, our young people are growing into their rightful place as leaders and difference-makers.

We are well aware of the challenges that we face to accomplish our mission, yet we are undeterred. **We need your support to make our mission and these phenomenal events possible and a success!** For additional info or to make a donation, please visit: [www.sizeofaman.org](http://www.sizeofaman.org) or you can contact us at (254) 732-7222.

Respectfully,
