A back flow inspection is an annual inspection required by the State of Ohio and the local water dept. (NOT APPLICABLE IF BACKFLOW IS IN BASEMENT)

Please send in this form with your payment or go online to www.nationwideirrigationllc.com by 10/03/2021, select your services and turn your water off by 10/04/2021. We will take care of the rest! **We have a limited amount of time to get winterizations completed before the temperatures drop. If you do not get your winterization done early, we cannot guarantee against freeze damage. Please note: The first freeze usually occurs by October 28th, so don't delay! Temperatures may drop earlier this year as they are calling for another cold winter!** Please note, return trips to your home to complete your winterization because the water is not off could result in an additional charge & leaves you at risk to freeze damage due to the delay of your winterization service. Due to the time constraints of winterization, **NO SERVICE** will be performed until spring

**TOTAL DUE \$ _____ - PAYMENT MUST BE RECEIVED WITH FORM TO GET DISCOUNT.
