Experience It! The Balloon Fiesta

The Albuquerque International Balloon Fiesta is a world-renowned attraction and destination. For more than four decades, the first week in October brings the smell of roasting chiles and the beautiful, magical moving picture show of hot air balloons sailing silently through the crisp fall air.

From its modest beginnings in 1972 with 13 balloons launching from a shopping mall parking lot, the Balloon Fiesta has grown to multiple events launching year-round at the custom-designed, 365-acre Balloon Fiesta Park. This signature event, with over 600 balloons, is the largest ballooning event on earth, the most photographed event on earth, and one of the largest annual international events held in the United States.

This image shows a single page of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page, leaving small margins at the top and bottom. There are no vertical margin lines, and the page is completely blank except for the lines themselves.
