UPDATE! Chapter Re-Activation & Housing Campaign

We have been busy since our BIG65th with efforts to put us in a position to bring Beta Psi back to ASU and provide a House in the near future.

We rolled out our Cornerstone Capital Campaign at Homecoming & have **Over \$30,000** in initial donations & 2015 Pledges. By asking 75-80 Alumni to pledge an initial \$500 or \$1000, we will reach **\$100,000** & be well on our way to the serious prospect of a new TKE House.

ASU is also about to solicit the Nat'l IFC for fraternity expansion. We are already meeting with the administration to make sure we are in the forefront for consideration.

NOW is the time for TKE's of ALL eras to answer the call & "repay" the debt we each owe Beta Psi & TKE in some way. We already have an active Bd of Dir's that will focus on recruitment & chpt mgmt & a Housing Board working on fundraising & housing potential. **YOU are welcome to join in as you are able.**
