From The Acting Principal

This week has seen the Years 12, 10 and 8 Mock Examination number 1 underway. Students in these year levels have sat for the Mock Examinations strictly under Examinations condition as we prepare them for what they will encounter in the National Examination later this Year. Day 3 has seen students coming in as early as 7:30 am ready for an 8 am start. We would like to remind parents of students in these year levels to support us by making sure your child is ready for school and in attendance every day leading up to the National Examinations.

Year 12 students have received their National Online Selection Invitation Letters and have all completed their student's information section. The next process would be for them to fill in their 5 choices for tertiary placement. Due to Covid 19 safety we have not had our Parent Information session but if parents have questions in

regard to the online system please do not hesitate to drop us an email or pay us a visit as we would be more than happy to assist with any queries or concerns.

Parent –Teacher Communication

Parents are encouraged to check your child/children(s) diary for information conveyed to them by class or subject teachers. This is one of the methods of communication we have embarked on to convey valuable information to parents and for their feedback as well.

Grade 12 Written Expression Examination

Grade 12 Written Expression National examination marking in Port Moresby is underway. Marking will conclude today 3rd September.
