A note from the Treasurer:

EARA is starting to work on a membership directory that will be available for all members, and we hope to have it complete within a few months. There are two issues that I would like to bring up regarding the directory.

First of all, if you would rather your information (Name, phone, email, mailing address, birthday) NOT be in the directory, you will need to notify me via email or text by July 1st.

Second - Many members would like to have a picture included with the membership info, and we may be able to round up a lot of people's pictures, but if you have a picture that you would like to have used, please send it via email or text to me. Again, if you would rather a picture NOT be included in the directory, please let me know by email or text.

There has also been an immediate update to the membership section of the bylaws that I would like to tell you about. The previous bylaws were rather lenient regarding membership status as in the length time your dues could be "late" before you were no longer on the membership. The bylaws have been changed to the follow: "The treasurer shall notify members 30 days in advance of their membership being due. Members who are 30 days in arrears will be dropped from the membership and will lose their right to vote in all club matters." Example: If your membership is due in April, you will receive a "due notice" in March. If your membership is not paid by May 31st, your membership will be considered expired.

As always, if you have any questions, please contact one of the officers or board members!
