PLAZA ROAD AFTER SCHOOL ENRICHMENT PROGRAM & PRE-K

"Come Learn with Us"

Mission Statement: *"Soaring Together Into The 21st Century"*

PHILOSOPHY AND GOALS

We believe children need a positive, well-supervised environment before and after school, where play is respected as the child's work and the process is as important as the product. Children are guided in a way that fosters initiative and independence so they learn to make healthy choices. Children have the opportunity to assume responsibility, strengthen positive peer relationships and gain a sense of belonging.

Children can expect comfortable surroundings, choices within structured limits, socialization, quiet time, space to do homework, and enrichment opportunities. Parents can expect a friendly and safe atmosphere for their children, a qualified and dedicated staff, and a feeling of support.

We strive to meet the special needs unique to each child and family. We believe that our program can positively impact the child's school performance and enhance relationships with peers, teachers, family and the community.

SCHOOL-AGE CARE and SPIRIT PROGRAMS are high-quality enrichment programs that emphasize esteem-building, age-appropriate activities, field trips, science projects, educational software activities, math and reading curriculum. **SAC** - operates before and after school, while **"SPIRIT"** is a summer day camp program.

BEFORE & AFTER SCHOOL SAC (School-Age Care) is a program for elementary students. The hours are **7:00 AM - 6:00 PM** on school days, most vacations and in-service/conference days.

FULL DAY PROGRAM

Extra activities are provided for the school-age child for when public / private school is closed...school vacations such as holidays, snow days and summer vacation. To accommodate this, special spaces are

set aside for the school-age child, provided that the parents have signed their child up for the public school vacations and holidays in advance.

SUMMER "SPIRIT"
