FOR NAVY BAND UNIT 22
80th ANNIVERSARY TRIBUTE DECEMBER 7th 2021

PROGRAM NOTES

TO BE READ IN THE OPENING

On December 7th, 1941, almost half of the casualties at Pearl Harbor occurred on the Battleship USS Arizona. Among over one thousand crewmen killed were all 21 members of the Arizona's band, the U.S. Navy Band Unit 22. Most of the band members were up on deck preparing to play for the daily flag raising ceremony when the attack began. They instantly moved to man their battle positions. At no other time in American history has an entire military band died in action. (These 21 chimes are in their honor.)

NOTE TO THE CONDUCTOR

The opening two measures can be repeated as needed to include the reading above, overlaying the snare drum, timpani and chimes. A set amount of repeats can be designated (4-6 times) to complete most of the reading. The chimes can continue into the opening phrase to achieve 21 chimes for the number of band members lost. If preferred, read the opening statement before the piece begins. Solo options available to make this piece work best for your ensemble. Choose one solo for each part; *Oboe or muted Trumpet, Flute or Alto Saxophone, Bass Clarinet or Bb Clarinet.*

On this 80th anniversary of December 7th, 1941, this arrangement is in tribute to NBU 22.
