

PANNIER BAG

- The Aidapt Pannier Bag has been specially designed to fit neatly over the armrest of most wheelchairs or mobility scooters, providing storage space for small items and keeping them close to hand.
- It is a practical and affordable accessory enabling users to safely carry more, while keeping their hands free.
- The Pannier Bag is water resistant and features a large zipped top closure for ease of use, plus an interior zipped pocket, ideal for money or credit cards, with an exterior zipped pocket and smaller mesh pocket too.
- There is a sturdy carry handle at the top of the bag, plus a large adjustable 'hook and loop tape' strip on the back, which fits and fastens securely around the armrest.

| Code | Description | Length | Width | Height |
|---------|-------------|--------|-------|--------|
| VA137ST | Pannier Bag | 245mm | 85mm | 345mm |
