Subject: Notice of May 6, 2020 Regular Meeting of 7CsThrive Board of Directors
Attachments:

Good afternoon awesome 7CsThrive Board of Directors.

Trust you are all continuing to stay safe and healthy.

Thank you all for taking the Standout Strengths Assessment and sharing your Standout Assessment Results with me.

We have 7 of 9 Roles in our "Team of Six." This means at least one of us, within our "Team of Six," has these Roles as a Primary Role and/or a secondary Role.

These top two Roles are the focal point of one's talents and skills. I have attached the definitions of eight of these nine roles to help us better understand our collective strengths. One more reason for us to be proud of our team!

I am attaching the Agenda and nine supporting documents for our upcoming Regular Meeting of the Board next Wednesday, May 6, 2020. This notice and Agenda will also be posted online momentarily.

Since we have another packed Agenda, please feel free to reach out to either President Osteguín or me (should you have any questions prior to the meeting).

Additionally, if you have any questions prior to the meeting, please e-mail me within three calendar days (on or before Monday, May 4, 2020). I will compile and respond to everyone's questions before 8:00 AM on Wednesday, May 6, 2020.

This will be our second Regular Zoom Meeting of the Board of Directors of 7CsThrive. We are likely to have four Zoom meetings within this one meeting to accommodate our guest speaker and two invited firms. I will send you all meeting invites for the various time segments.

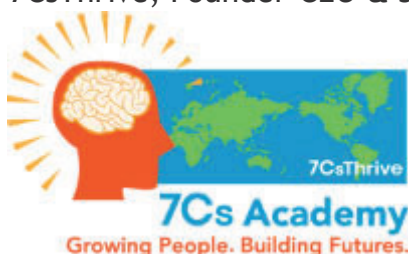

We want to honor everyone's time and would like to continue to keep our meetings effective and efficient.

Thank you all so much.

With much appreciation and gratitude.

Nathan
