The Everyday Wonder of

Finances:

Let It Flow

Week of October 9, 2022

One day the sun admitted,
I am just a shadow.
I wish I could show you
The Infinite Incandescence
That has cast my brilliant image!
I wish I could show you,
When you are lonely or in darkness,
The astonishing Light
Of your own Being!

Let It Flow

We live in a Universe of Infinite Abundance of every form of wealth – love, health, financial freedom, creativity and more. And many are starving. The infinite flowing reservoir is always available, but we only let a trickle through. Our consciousness is filled with rules, with beliefs of lack and limitation, and self loathing and devaluing. These rules and beliefs choke the flow of the Infinite Good down to a mere trickle. Our work is to get our foot off the hose and let the natural Abundance of the Universe flow in our lives.
