EXECUTIVE ORDER 0008

WORKER'S DAY AS AN AUGUST NATIONAL HOLIDAY

By virtue of the authority vested in me, by the Constitution of the Commonwealth of Dracul of 2017, it is hereby ordered as follows:

The business owners and workers in the Commonwealth of Dracul are crucial to ensuring our success, their success, and proper function of the business. Many employees and owners spend many hours per week providing for their families and self, just to get by at the end of the week.

With a struggling macronational economy, it's difficult more than ever to accomplish such task. We must respect and appreciate all of the work that goes into running a business and completing tasks for employees of said businesses.

The 2nd Monday of August of each year will be a national holiday named "Worker's Day". It shall be a day where employees and business owners are encouraged to take a day off to recognize their own efforts and accomplishments.

Authorized and directed to publish this memorandum in the National Register.
