

## SI #\_\_PLANNING

1. Is it from direct observation? What is your reference?
2. Identify the question that guided THIS particular piece.
3. List ALL the materials you will be using. What size and type of paper will you use.
4. Research and talk about the drawing skills/techniques that you will be using.

4" X 6"

Create an EXACT, full out, small version of the piece you will be creating in this section. Use exact colors and materials. Fill this space.

3" X 5"

Create a full out BACKUP version of the piece you will be creating if the other one doesn't work. Use DIFFERENT colors and materials. Fill this space.

DATE DUE

Give information about your backup piece here. Like why did you do this design? How will you create it? Are you skilled in the materials? Text and Draw it out!

---

Here ,put any other notes or ideas you want to express about this piece? Is it a risk? Are you excited to create it? Scared? Text and Draw it out!
